KALANJALI-2023

AIRCRAASH

Rules and regulations

1. Participants: 1 participant.
2. Air Crash is an interactive event where each of the participant is given one real life personality to enact and all of them are in a fictional setting where each one of them is on a crashing plane and they have to convince the pilots to get the last parachute to save their own lives.
3. This convincing has to be done by imbibing the personality traits of the characters they represent.
4. The characters included leading public personalities from all over the world- politicians, actors, singers and models, each one of them being specimens in their own ways.
5. The event consists of each of the participants re-creating the real-life icons in the most innovative way possible, by producing both theatrical, aesthetics and political knowledge.
6. The game will be played in two rounds.
7. The first round, in which all the participants play their characters
8. For the second round, only five will be selected, in which each person will have to argue with the other person.
9. The overall winner is decided based on a combination of first round performance and success in the head-to-head arguments in the second round. The participant who most convincingly embodies their character and strategically argues for survival, emerges as the winner.
